## **ART FESTIVALS, SALES, AND EVENTS**

We won't attempt to record art festivals and weekend show participation — mostly in the 1970s — but will mention The Portland Saturday Market off-and-on from 1975 through 1980, and several years in the Vancouver Art Festival, which unfortunately faded away in the late 1970s after many years (it was well established when Boni enjoyed it as a child in the early 1960s).

One event Dave and Boni have continued every year since its beginning in 1983, is an excellent all-ceramic show: "Ceramic Showcase," the Oregon Potters Association's annual springtime event in Portland, Oregon. In recent years, the only other annual booth is at the Wild Arts Festival put on by our local Audubon Society in November in Portland, Oregon.

Summer 2012 big event: Dave stood on his head on the top of Mt. Kilimanjaro, ele. 19,340 ft., and Boni stood by with camera. :-)
